

The background is a dark, textured grey. Overlaid on this are several white elements: a large, fluid, wavy shape that resembles a stylized 'S' or a ribbon, and four straight lines of varying lengths that intersect to form a series of triangles and quadrilaterals. The word 'northern' is printed in a white, lowercase, serif font, positioned in the upper left quadrant. The year '1955' is printed in a white, lowercase, serif font, positioned in the lower right quadrant.

Ohio Northern University Ada, Ohio

Dedication

Harvey Evert Huber, to whom this annual is dedicated, needs no introduction to most of us. Those who didn't know him can not help but appreciate his accomplishments here at Ohio Northern. Through four decades as a teacher and an administrator, he experienced the joys and the calamities that this university has had to face.

Dean Huber received his A.B. degree from Ohio Northern in 1909 and his master of arts from Yale in 1912. He returned to Ohio Northern as a professor, and in 1920 became dean of the Liberal Arts College. He held this position until July, 1952. At the time of his death in April, 1953, he was the head of the biology department.

His subtle humor and his good natured approach to education made him one of the most popular teachers in the history of Ohio Northern. Few can measure up to his

Professor Huber explaining the human brain to a biology class of the past.

capacity to inspire students to take his courses seriously and to reap the unlimited knowledge that was contained in his lectures. His recommendation was sufficient and served as a key to many for entering the best medical and graduate schools. Many have studied under "the Dean," and, no matter what field they pursued, have reported that he was a main factor in rounding out their education.

He supervised the addition of improved facilities in his natural science department, but did not live to gain the satisfaction of seeing students using them. By means of his vast contributions, his unselfish dedication to Northern, and the high regard held for him by others in the field of education, his unchallenged mastery of anatomy and other natural sciences, he is as much a part of Northern as men like Lehr, Park, Fess, Willis, Deming, Freeman, and Smull.

President's Message

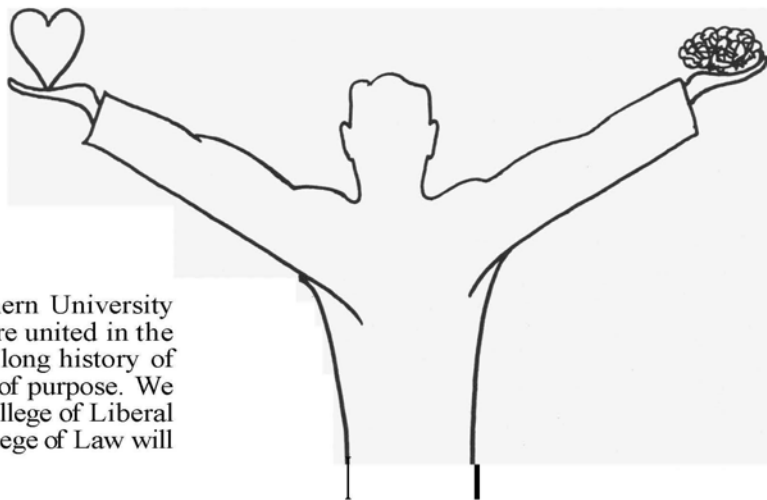

To the Class of '55:

With the passing of the years, graduation from Ohio Northern University becomes increasingly significant. The reason is simple: We are united in the prosecution of a program of Total Advance. Seldom in the long history of Northern has there been such convincing evidence of unity of purpose. We are all determined to so undergird it financially that the College of Liberal Arts, College of Pharmacy, College of Engineering, and College of Law will be equally strong and effective.

You, of the class of '55, came at a most opportune time. You have had no small part in the program of advance. You have reason to be proud of the part you have played.

As you graduate and become alumni of ONU, may there come to you the satisfaction of a job well done.

F. BRINGLE MCINTOSH
President of the University

Campus

To the class of 1955 of Ohio Northern, graduation means the end of a phase of life. To most of the graduating seniors their college careers have been both rewarding and successful. Many will feel real pangs of regret upon leaving the campus and will consider their graduation as the finish of one of the happiest times of their lives. It is to these seniors that the 1955 Northern is dedicated to help them remember the fleeting moments of the most important year of their college life.

ORGANIZATIONS

Seated: M. Hitchcock, F. Burdette, F. Clark. *Standing:* J. Mannik, D. Westerman, J. Clouse, W. Moore, M. Mannik

The Student Council of Ohio Northern University 1954-55

The Student Council, as the student governing body, devotes much of its time to the problems which arise within the student body and to those which arise between the student body and the administration. Examples of such problems were: the petition pertaining to compulsory student insurance, regulation of the library hours, selection of "artists" for the artists series, chapel and assembly programs, and withholding or granting recognition of new organizations of Northern's campus. The S-C also supervises and regulates campus elections during the year and

the freshman traditions.

The activities of the Council are not confined to those of an academic nature but also extend to the large social functions of the year, i.e. The May Day celebration and Homecoming as well as the class dances.

The members of the S-C are elected during the Spring Quarter and serve for one year. The members represent the four colleges by four members per college, as well as four members who are elected as representatives-at-large for a total membership of twenty students.

Student Union Committee

The Student Union Committee, which represents all the organized factions in the student body within one coordinated group, was organized in the fall of 1953 and became a permanent group in 1954.

This committee initiated the petition through which the student body voted a self-assessment of five dollars per quarter for each student to start a fund through which to erect a student union for Ohio Northern's students. A \$15,000 structure, which will be temporary until a permanent union is built, was completed by the fall of 1954. This

was the first step toward the realization of the \$250,000 permanent structure.

Represented on the committee are the officers of the following groups: Senior, Junior, Sophomore, and Freshman class presidents; presidents of the Student Council, IFC, Pan-Hellenic Council, organized Independent men and women; a delegate from the law college and a representative of the faculty. Mr. William Allman serves as advisor. The guiding force behind the committee and union plan has been Mrs. Francis Burdette, dean of women.

The Policy Board

The Policy Board is a board established for the purpose of determining what are to be considered student activities and what allocations shall be set aside from the Student Activity Fund in support of these student activities. The Policy Board is set up jointly by the Student Council and faculty of the university. Each body having equal representation on the board. The representatives on the Student Council are elected by the Student Council; those of the faculty by the faculty. The president of the university is chairman of the Policy Board.

Recommendations may arise in the Student Council or in the faculty and be carried to the Policy Board for consideration. Student activities include such things as musical concerts, Northern Players productions, football and basketball games, special lectures, and activities under the direction of the Student Council such as all-university dances, class dances, and other such activities.

Seated: F. Burdette, K. Martin, J. Clouse. Standing: D. Westerman, F. Clark, L. Jimenez

Seated: C. LeVine, N. Shively, E. Brown. Standing: D. Herman, B. Evans, J. Taylor, B. Schwind, J. Boltz

Alpha Phi Gamma

Alpha Phi Gamma, national journalistic honorary fraternity, was founded at Ohio Northern in 1919 as a local group for the purpose of recognizing those who have excelled in student publications. Today, Northern's chapter is known as Alpha Chapter and Alpha Phi Gamma is currently the largest strictly recognitional co-educational journalistic honorary in the nation.

The primary purposes of Alpha Phi Gamma are still

much the same today as they were thirty-five years ago; namely, to honor those whose achievements and abilities in the field of journalism deserve recognition. Membership is based upon high scholarship, length of service on student publications, and journalistic capabilities. Students initiated at Ohio Northern are taken from the staffs of either the *Northern Review*, the *Northern*, or the *Ampul*, journal of the A. Ph. A.

Cherrie LeVine
Jane Kistler

Kappa Kappa Psi

Kappa Kappa Psi, reactivated on Northern's campus in the spring of 1954, aims to promote and improve the quality and performance standards of band music in colleges and universities throughout the United States. The brothers of the local chapter are serving these ends by assisting the band director with administrative details, thus permitting him to concern himself chiefly with musical

problems. Northern's Sigma chapter has helped to organize bands to perform for athletic events, has assisted in the planning of field formations, and has included even such tasks as the "setting up" of equipment for rehearsals.

The leadership of this group is contributing very materially to the improvement of morale among the entire band membership.

Theta Alpha Phi

Theta Alpha Phi, national honorary dramatic fraternity, was founded at Ohio Northern in 1921 by Major Cliffe Deming, who was a professor of speech on this campus for almost 50 years. Theta Alpha Phi is the highest honor which Ohio Northern has to offer any student interested in dramatic activities.

The purposes of this fraternity are to increase interest, stimulate creativeness, and foster artistic achievement in all of the allied arts and crafts of the theater. To be eligible

for membership a student must have participated in two major and two minor productions and must be voted upon by the membership.

Those students who are eligible for membership are pledged for a trial period after the fall production and initiated the following spring. Any student who is admitted as an active member must have a workable knowledge of the theater, which includes both acting and back-stage work.

OFFICERS

<i>Vice-President</i>	Nancy Shively
<i>Secretary & Historian</i>	Margy Campbell
<i>Treasurer</i>	Bill Moore
<i>Advisor</i>	Prof. William Allman

Nu Theta Kappa, honorary engineering society, was organized at Ohio Northern in 1915. The society gives recognition to the engineering students who have excelled in academic work. The aim of Nu Theta Kappa is to promote a higher standard of scholarship among the engineering students. Eligibility for membership is acquired by all seniors and juniors who have an accumulative point average of 2.7 and one sophomore with the highest academic standing in his class. Candidates are expected to take an active part in other college and university activities.

A. Ph. A.

The A. Ph. A. at Ohio Northern is a student branch organization of the American Pharmaceutical Association and was formed in 1949. Membership is open to all pharmacy and pre-pharmacy students who are interested in extending their knowledge of the practical aspects of their chosen profession. Bi-weekly meetings have featured guest speakers from various drug houses, and national and state pharmacy organizations. It is through the A. Ph. A. that a number of improvements in the pharmacy building are made each year. In the past, the club has been responsible for the placing of new lights in the building and the painting of a majority of the classrooms and offices. Every quarter the A. Ph. A. publishes its own magazine, the Ampul, which has a circulation of over 2200.

Les Avocats

Les Avocats is the only forensic club in the law school at the present time. The purpose of the club is to improve the speaking abilities of its members, so that they may be better qualified to fit a position of public calling. At weekly dinner meetings, two impromptu speeches are given followed by two prepared speeches. The latter class includes one legal and one non-legal topic. Following delivery, the speeches are then constructively criticized. Each year field trips are planned, and the members travel to neighboring cities to see the law in action.

The Junior Bar Association of Ohio Northern University was organized on this campus in 1933. In August 1953, the local group joined the National American Law Student Association. Among the many activities sponsored by the Junior Bar are the annual banquet honoring the president of the Ohio Bar Association, and the Barristers' Ball, the law students' yearly formal. The latter is one of the big events of the year for this campus.

The Junior Bar is proud to announce the election of Dean Claude W. Pettit to the position of Probate Judge of Hardin County. Congratulations, Judge Pettit! Your name and person will be long remembered after you have left this institution. Words are inadequate to express the deep appreciation felt by former students, present students, and the university for your long and tireless service.

Engineers Executive Council

The Engineers Executive Council is composed of the four officers of all the engineering societies. The purpose of the council is to coordinate the activities of the four engineering societies and to promote the interests of the engineering students. The council sponsors the entire program for the annual Engineers' Week, held in the last week of February.

The student branch of the Ohio Society of Professional Engineers embraces all departments of the College of Engineering. The purpose of this student chapter is to stimulate professional thinking among engineering students through social contacts, fellowship, and cooperation.

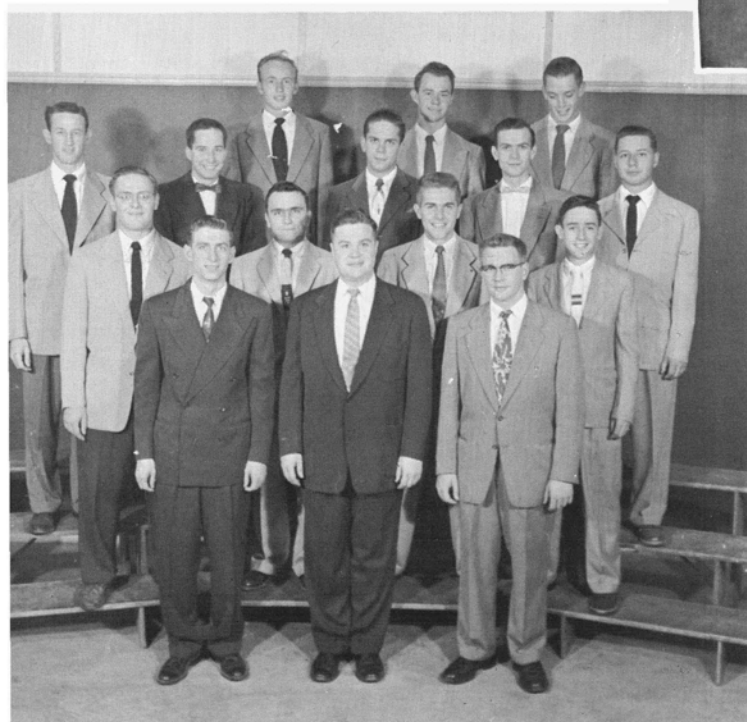

Our monthly meetings bring out topics such as professional standards, professional registration, ethics, and the engineer's place in the community.

A. I. E. E.

The Ohio Northern Student Branch of the American Institute of Electrical Engineers was founded at Ohio Northern in 1912. It is the oldest branch of a national technical society on campus and the first AIEE branch in Ohio. The society brings the students together to discuss problems of mutual interest in their chosen field, giving the students an insight into the practical field of electrical engineering. At meetings, technical reports are given, and movies and slides are shown, which supplement what is offered in the regular curriculum.

The purpose of the student chapter of American Society of Civil Engineers is to help the students get acquainted with the civil engineering profession. The chapter holds two monthly meetings which feature speakers or movies concerning subjects that interest students of civil engineering. The A.S.C.E. takes an active part in the annual Engineers' Week. Each spring the members attend the North Central Conference of A.S.C.E. student chapters. Throughout the year several field trips are taken to visit civil engineering works in the State of Ohio.

Mechanical Engineers' Club

The purpose of the Mechanical Engineers' Club is to acquaint the students with the benefits of an affiliation with a professional society. It is to help provide those things to our professional development which might be overlooked in our regular studies. Speakers, movies, an inspection trip, and an annual contest make up our club life.

O. N. E. S. A.

The Ohio Northern Engineers' Speakers Association was formed to enable members of the engineering college to gain confidence and poise in speaking before a group. The organization holds bi-weekly dinner meetings at which members are called upon to give brief speeches which are followed by constructive criticism.

A. C. S.

The purpose of this chapter of the American Chemical Society is to unite students in chemistry both professionally and socially. In keeping with this purpose, biweekly meetings were held with speakers and films from chemistry and related fields.

On the social side of the ledger, refreshments were served to the group following every meeting, and the year was rounded off with a student-faculty picnic in May.

Any student who is interested in chemistry or related fields is eligible to join this chapter. Upon being recommended by the faculty and filling required applications he may become an affiliate of the national American Chemical Society of which this club is an auxiliary unit.

Religious Council

The purpose of the Religious Council is to promote and encourage spiritual growth upon the campus and to provide opportunities for Christian service and fellowship. Its members consist of representatives from the various organizations on campus.

One of their major projects is Religion and Life Week which is held for one week each year. A speaker is obtained for this, and services, special talks, and interviews are arranged. Besides helping to select the chapel speakers, this group conducts the Greek Sing and assists on the Campus Chest Drive.

The Future Business Leaders of America is a national organization, the purpose of which is to build for the students a better understanding of business: how it operates, its philosophy, ideals and procedures, and the requirements for its personnel. This is accomplished through speakers, panel discussions, pictures, machine demonstrations, and field trips. The organization also undertakes to develop the social graces of its members through attending plays, concerts, and school functions, and through various social programs scheduled among the group's activities. Each spring the organization prints an annual publication, FBLA Reporter.

The Upper-Room Fellowship was known until last year as Pre-Ministerial Association of Ohio Northern University. In recent years, students looking forward to full-time professional service in the field of religion in areas other than the regular pastorate have joined the association. It was, therefore, the appropriate decision that the organization should accept a name indicating a broader field than the ministry. Students looking forward to work in the mission

field, in religious education, and the chaplaincy are also members of the group.

The group meets regularly for devotional practice, spiritual fellowship, and for the discussion of both religious and practical problems of the student. These practical problems include those of the student who is doing supply work as a pastor in churches of neighboring communities.

Newman Club

The purpose of the Newman Club is to assist Catholic young people in secular educational centers, to apply Christian thoughts and principles to the problems of the campus community, and to the intellectual formation that they are receiving as college students.

Weekly meetings feature guest speakers, motion pictures, and panel discussions among the students for a deeper understanding of the Catholic faith.

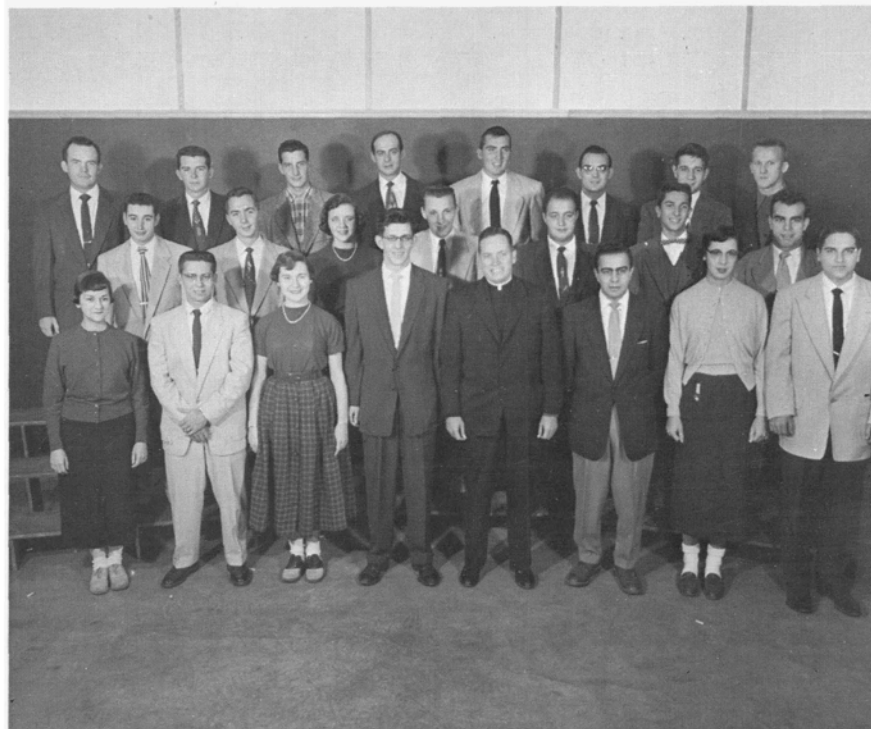

Father Nugent is our new advisor replacing Father Hoch.

The Newman Club football team won the independent football championship for the second consecutive year and is also represented in all intramural sports.

Through a program of worship, study, discussion, and fellowship the Lutheran Student Association seeks to interpret a student's academic experience in terms of the Christian faith so that the truth of Christ becomes relevant to each course, to education as a whole, and to every

aspect of life. The local Lutheran parish provides the auspices for carrying out the plans of the organization.

John Thress, senior pharmacy student, is the chairman of the group and the faculty advisors are Dr. Wilfred E. Binkley and Prof. Eugene Hanson.

Wesley Fellowship

The Wesley Fellowship, although affiliated with the Methodist Church, welcomes students of all denominations.

The organization meets every Sunday evening to promote good fellowship and to increase understanding of Christian ideals.

The goals are to bind Christian young people closer to-

gether as they strive toward the same high ideals.

During the year several outstanding professors on campus spoke to the group and led group discussions, relating their field with Christianity. The year's calendar also included speakers from off campus.

On the social side this year, the group held a swimming party, banquet, hayride, and skating party.

Ohio Northern Psychological Association

Membership in the Ohio Northern Psychological Association is open to all students of the University who are interested in the pursuit of knowledge in the realm of psychology.

The aim of the association is to provide a group to which students interested in psychology may refer for the pursuit of extra-curricular activities in the field and secure the cooperation of authorities not connected with Ohio Northern, promote psychological research at Ohio Northern, and meet as a body for purposes of correlating their theoretical and objective conclusion.

Committees for the purpose of pursuing one or more special-interest projects are organized from the association membership.

The principal project this year was bringing Dr. Joseph B. Rhine, renowned author, research scientist, and lecturer, to the campus as a part of the Student Lecture Series.

Dukes Athletic Club

The Dukes A.C. was organized in 1950 by a group of independent men for the purpose of participation in the intramural program and has since become a social organization as well. It has an impressive record in the independent league in all intramural sports. The large majority of members has earned varsity letters in at least one major sport. The club emphasizes sportsmanship, healthful living, moral discrimination, and mental efficiency.

The N Men Club is an organization composed of varsity letter winners. The purpose of the club is to promote better publicity and relations between the athletic department and the university. The club, under the supervision of Clyde Lamb, has been active in selling concessions and programs at all home games. This year they combined with the WAA to give a banquet for the football team. They are responsible for the theme of May Day, and build the float for the king and queen. They provide appropriate awards for the senior members of the organization.

The purpose of the Women's Athletic Association is to promote interest in sports and gymnastic activities as a means of creating physical efficiency, athletic accomplishment, scholarship, fellowship, and good sportsmanship.

The program of the W.A.A. includes the regular intramural events, class teams, sorority teams, and independent teams, in all major, intermediate, and minor sports, and a varsity basketball team. Trophies and awards are given

the winning teams of each sport. Members may also earn letters, sweaters, and blankets for points earned in the activities.

Some of our special events this year included the Thanksgiving Dinner which was given in honor of the football team, an All-Campus Christmas Dance, the Annual Dance Review, and the Senior Picnic.

Association of Women Students

The purpose of the Association of Women Students is to encourage active co-operation for the welfare of members, to promote loyalty and self-control in the college community, and to promote the spirit of unity and fellowship among the women of Ohio Northern University.

All women on campus are members of this group, which is composed of 2 boards: (1) the executive, including the officers and Dean of Women; and (2) the legislative, including the elected representatives from the four classes.

Several activities are planned throughout the year. At the beginning of the fall quarter, a tea for new women students was held in Alumni Hall. Later that quarter, a dinner was planned. The winter quarter included a formal dance and a leadership dinner to honor members who held offices in campus organizations. In the spring, a farewell dinner was given in honor of the seniors.

Future Teachers of America

The Future Teachers of America has six main purposes. The first is to develop among young people who are preparing to be teachers an organization which shall be an integral part of state and national education associations. Another is to acquaint teachers in training with the history, ethics, and program of the organized teaching profession. To give them practical experience in working together in a democratic way, and to interest the best young men and women in education as a career are two more purposes. The last ones are to encourage careful selection of persons admitted to schools which prepare teachers, and to seek through the dissemination of information and through higher standards of preparation to bring teacher supply and demand into a reasonable balance.

Ohio Northern University Band

The Ohio Northern University Band, primarily a concert organization, exists for the chief purpose of educating its membership to and presenting its audiences with a variety in styles and periods of music literature. Northern is fortunate in having a band which is regarded not as a mere subsidiary to other departments, nor as a mere "service" organization, but as a musical entity in its own right.

By way of additional services for the promotion of

school spirit and student morale during the year 1954-55, the University Band led—in the rain—the traditional Homecoming parade and concertized for the barbecue at Memorial Park. (A prepared half-time show was rained out.)

Throughout the year the University Band functioned in its traditional "pep" and marching capacities in addition to its primary concert role.

University Choir

During the year 1954-55 the University Choir rehearsed and performed a wide range of choral literature, including works by a substantial representation of significant composers from Palestrina to Britten.

In addition to its off-campus concertizing, this group performed for the weekly chapel services and presented chapel and assembly concerts. Participants included students of some of the professional colleges, as well as a large number of people from the Liberal Arts College.

A small group of people, The Cantata Camerata, was selected from the choir membership to prepare and perform choral chamber music. This organization concerned itself with English and continental madrigals and other accompanied and unaccompanied works suitable for performance by a group of its size.

Northern Players, one of the oldest active clubs on campus, was founded in 1922. Membership to this organization is open to any student who is academically qualified and who has an interest in participating in theater arts. Its purposes are to give students an opportunity to gain experience in all phases of theater arts and to foster and perpetuate better productions for the student body and the university. During the school year the Northern Players usually present three major or three act productions and several minor or one act productions. The major productions presented by the players this year were "Two Blind Mice," "Ten Little Indians," and "Twelfth Night."

Young Democrats Club

The Young Democrats Club of Ohio Northern University was organized on October 6, 1954. The goals and purposes of our organization were to inform the people in Ada about the candidates of the Democrat Party, to pass out information and pamphlets at the homes, and make our assembly interesting to the students, teachers, and public. Our assembly program was held on October 27, 1954, with Mr. Thomas M. bowd as our political speaker. On November 1, 1954, Gene Adams and Bill Moore were our representatives in a political debate. On November 3, the Young Democrats Club enjoyed a party at the home of our chairman. Our club plans to do great things in the future.

Young Republicans Club

This year under the able leadership of Pres. John Works and organizer J. R. Cole, the Young Republican Club became an established organization on campus.

Due to the enthusiasm of the student body during our political campaign, we were able to secure Jackson E. Betts, Republican congressman for assembly.

The purpose of our organization is to foster and promote a better understanding of the party and its platform, and to encourage active participation in elections and governmental operations valuable heritage of suffrage so that a living democracy may be preserved.

The Ampul is a student publication sponsored by the Student Branch of the American Pharmaceutical Association. The first edition was published in the spring of 1952 and currently more than 2200 copies are distributed each quarter to alumni and students of Ohio Northern's College of Pharmacy and drugstores throughout the state.

The magazine contains articles by instructors and students concerned with activities of Student Branch A. Ph. A., alumni news, and various aspects of modern pharmacy.

Girls' Dormitory Committee

Center of co-ed activities at Ohio Northern is the girls' dormitory where all resident women are housed. The Dormitory Committee was organized in the fall of 1953 as a part of the student government plan. The Committee is made up of the presidents of the following organizations: Tau Kappa Kappa Sorority, Theta Phi Delta Sorority, Phi Chi Sorority, and Amicas. Together with the housemothers, Mrs. Strahlem and Mrs. Morris, and with Dean Frances Burdette as the guiding force, these girls review and assist in making the various dormitory rules concerning hours, use of the dining room and lounge and other related problems.

Greeks

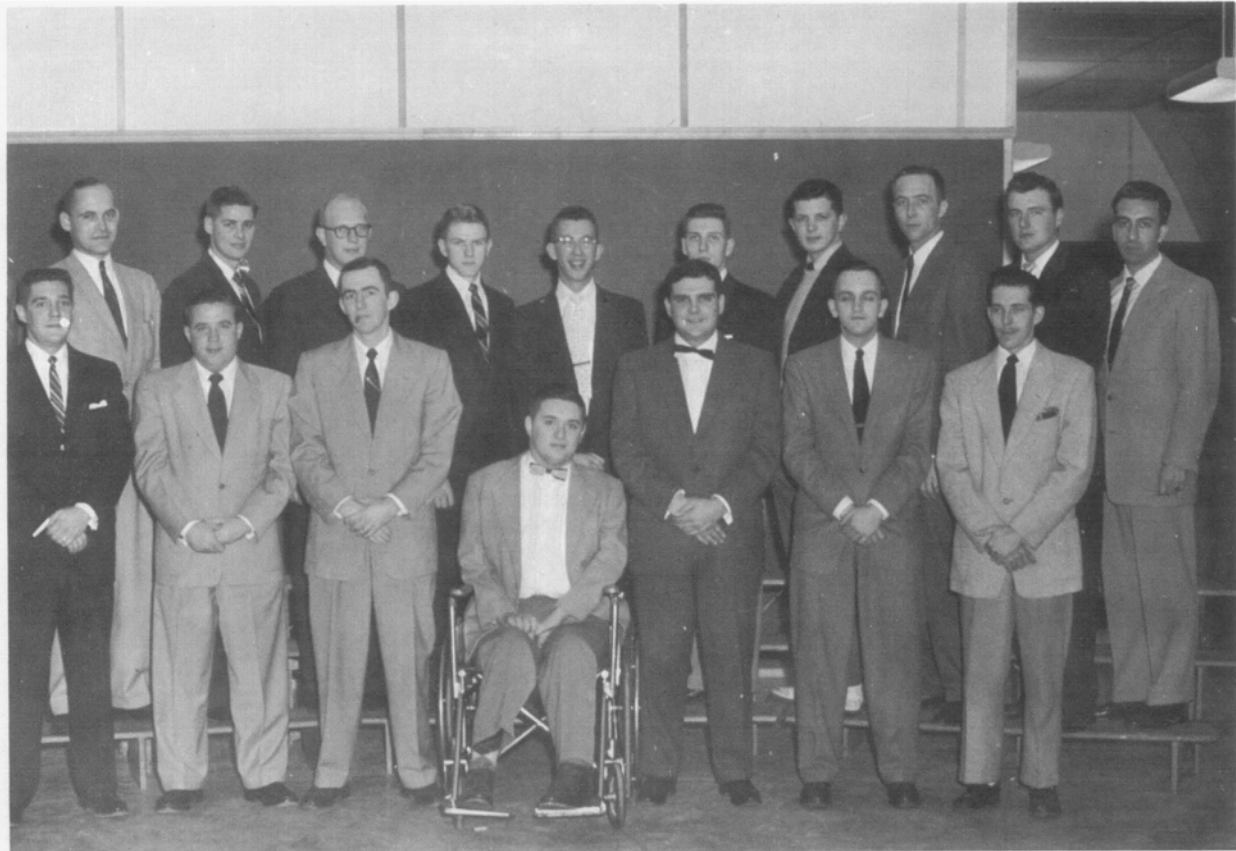

Delta Theta Phi

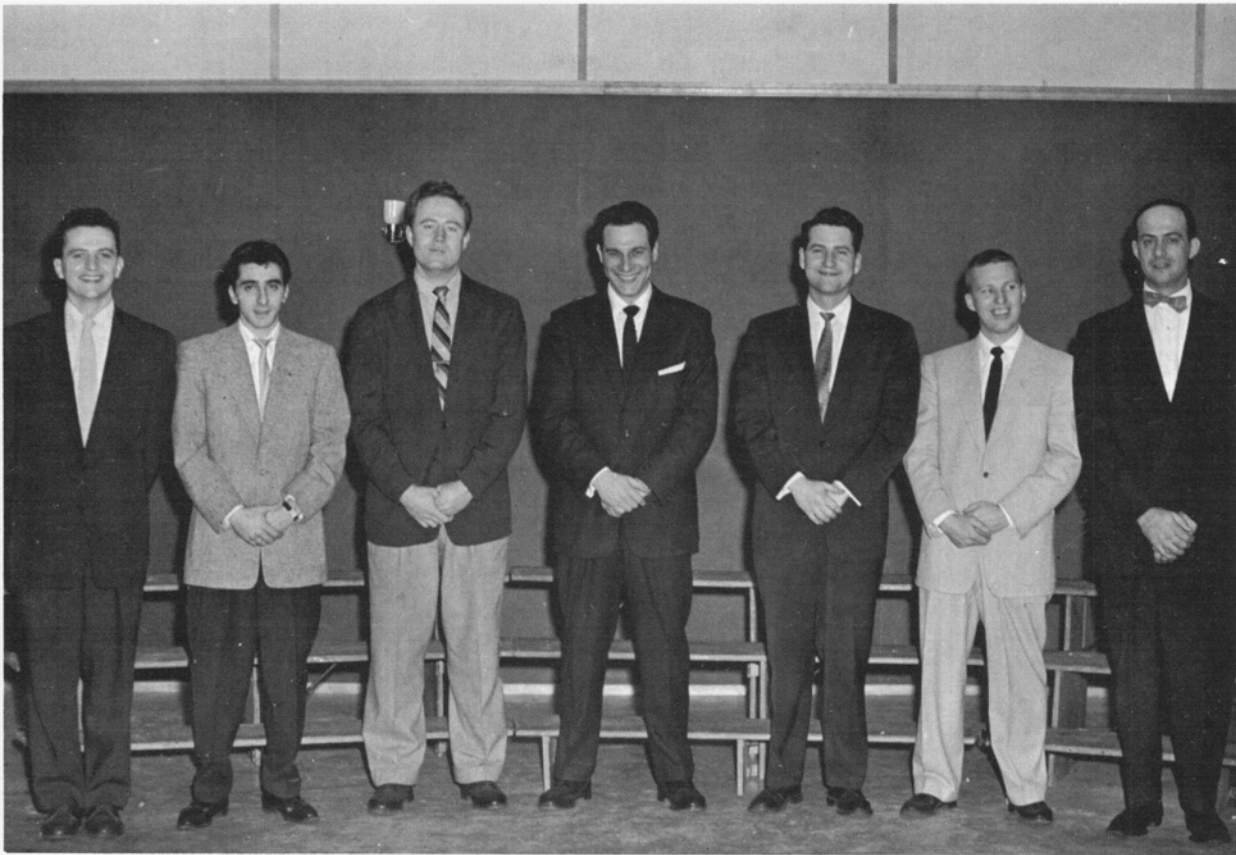

The Delta Theta Phi law fraternity is in its forty-fifth successful year on this campus. The objectives of the fraternity are to unite fraternally students of the law, to lead them to high scholarship and legal learning, and to surround them with an environment of legal traditions. In furtherance of these objectives, the fraternity has frequent banquets with speakers from the legal profession. The members also visit trials and other legal proceedings.

This year, the fraternity is proud to number among its members the president of the student council, James Clouse, and the president of the junior bar association, Marshall Peterson.

Sigma Delta Kappa

The Omicron Chapter of Sigma Delta Kappa National Law Fraternity was established at Ohio Northern in 1923. The purpose of Sigma Delta Kappa is to promote a higher legal learning for and among law students. This is to enable them to succeed in becoming social engineers capable of efficiently guiding our common society.

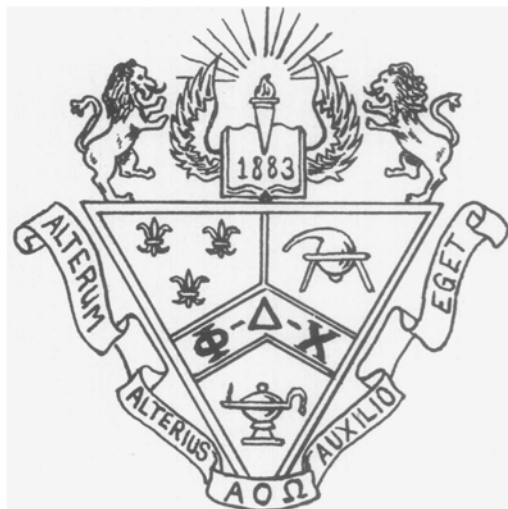

The Ohio Northern chapter of Sigma Delta Kappa has had many ups and downs this year, but was honored with an active pledge class. The pledge class consisted of George M. Alexander, Jerry Carroll, Robert C. Knee, Jr., Burt Ludwig, James R. McKenna, Charles Marker, and Don Varner. Pledge McKenna was elected President of the Junior Bar Association and Pledge Carroll was elected Parliamentarian.

Our fraternity is often referred to as the "poor man's fraternity." We wear this distinction with pride. Our alumni are composed largely of lawyers who spend a good part of their lives in the pursuit of substantial justice for the average man.

Phi Delta Chi

Phi Delta Chi

The Alpha Upsilon chapter of Phi Delta Chi national pharmacy fraternity is the most recent professional organization on campus. It was founded as the Phi Dex Club and became affiliated with the national Phi Delta Chi fraternity on March 2, 1955.

The purpose of this organization is to advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members.

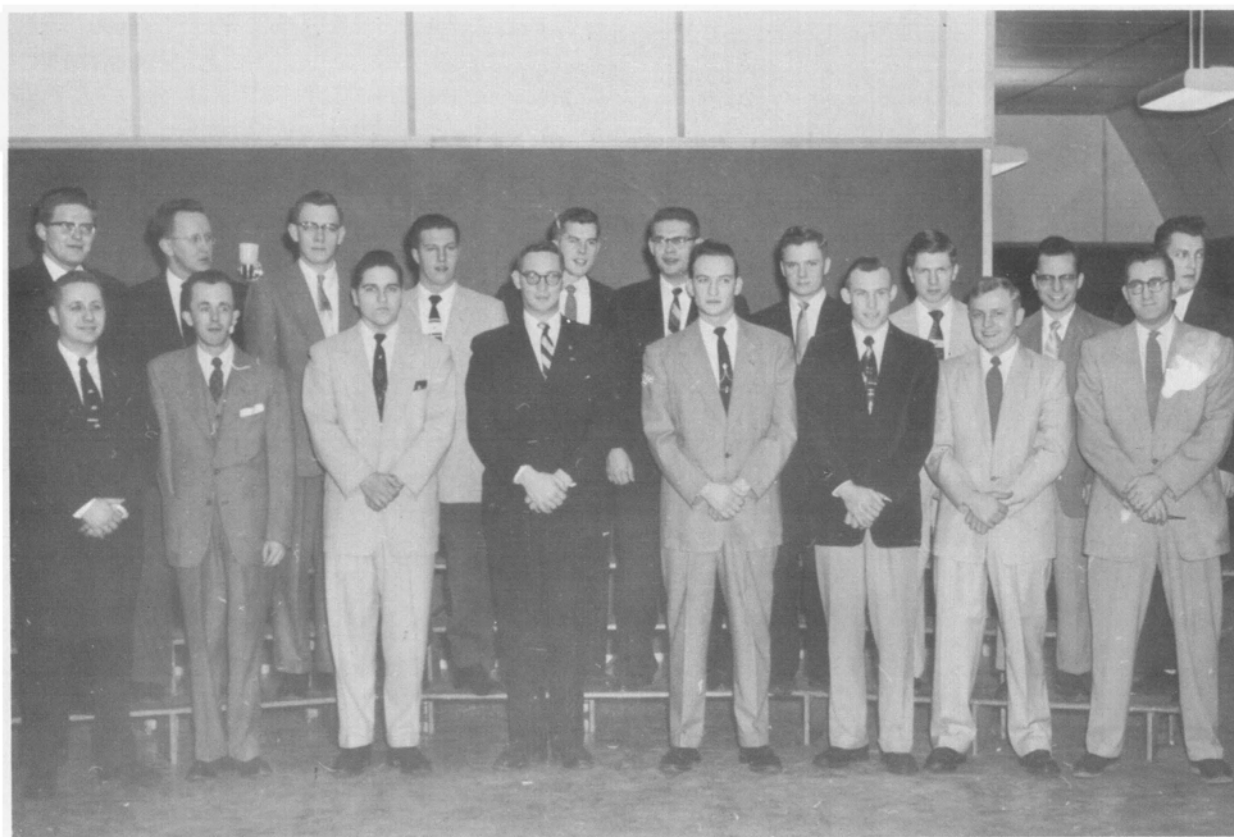

Phi Delta Chi was founded nationally, November 23, 1883, at the University of Michigan at Ann Arbor. It was then a pharmacy and chemistry fraternity but later evolved into a pharmacy professional fraternity. At the present time there are 33 active chapters located at Colleges of Pharmacy throughout the United States.

Pan Hellenic Council

The Pan-Hellenic Council is made up of two representatives from each of the sororities. The Council serves as a unifying body for the three sororities to maintain on a high plane sorority life and intersorority relationships, to cooperate with college authorities in their effort to maintain high social and scholastic standards throughout the whole college, and to be a forum for the discussion of questions of interest to the local college and sorority situation.

The most popular event sponsored by the Pan-Hellenic Council each year is the tri-sorority formal during spring quarter. The dance is sponsored for the enjoyment of the members and pledges of each of the three sororities.

I. F. C.

One of the key governing bodies of the campus is the Inter-Fraternity Council. Composed of one member from each fraternity, this organization strives to create a closer bond of brotherhood among the eight fraternities.

Foremost among its duties is the formulation of rules regarding rushing and pledging, enforcing University regulations regarding fraternities, and settling of disputes and differences which may arise among the fraternities. This Council is responsible for one of the outstanding events of the year, the I. F. C. Ball, which this year was held January 19 and featured Ruddy Morrow and his orchestra.

Throughout the years the I. F. C. has been instrumental in maintaining the high standards of fraternal life. Publication of the Rushing Manual by the Council was also one of the outstanding recent activities.

New Pledges

Phi Chi

The Alpha chapter of Phi Chi was founded in 1909. In 1929 all sororities were banned from the campus, and it was not until 1933 that they were reorganized.

East spring the Phi Chi's won both the Greek Sing Trophy and the Skit Night Trophy. They followed these up in the fall by once again winning the Pushmobile race and furnishing the Homecoming Queen, Gay Hughes.

A good social season was realized with such affairs as the Fall Dance, Turkey Trot, the Snow Frolic, and the winter formal entitled "Mardi Gras Ball." The winter rush party, "Cafe la Parisienne," was a huge success. At this time the Phi Chi's gained six pledges. As a climax to the social scene these pledges entertained the actives at the annual Gypsy Dance.

The Phi Chi's have actively participated in varsity and intramural sports as well as choir and other campus organizations throughout the school years and are looking forward to another year as successful as this one.

Tau Kappa Kappa

Tau Kappa Kappa, the oldest sorority on campus, was organized by a small group of Ohio Northern girls in 1900. Since its organization, it has made rapid progress in all phases of college life.

To begin the social calendar for the year the TKK's welcomed the freshmen with a wiener roast and jeans dance. Following this was the "Doodles Dance" which was held in the new Student Center. The holiday season was celebrated with a party for the actives, pledges, and their dates at the home of our advisor, Mrs. A. C. Smith. Mrs. Smith is celebrating her tenth year as advisor to the TK's.

This year's rush party, "TKK Moulin Rouge," proved very successful, gaining ten new pledges for the TK's. Next on the agenda was the winter formal, having "The Crystal Ball" as its theme. Following this were a pledge dance, a Mardi Gras dance, and finally the annual Pirate Dance, which brought the TK's social season to a close.

On the athletic side, the TK's won the volleyball championship-and proved to be strong competitors in all other sports.

A trying day in lab—Theta pharmics

Theta Phi Delta

Theta Phi Delta was founded at Northern in 1909, but was compelled, as were the other sororities, to disband in 1924. In 1933 when the University allowed sororities to reorganize on the campus, Theta Phi Delta was the first to return. Today they have over 400 alumnae scattered throughout the country.

Last spring the Theta's won the May Day float competition with their portrayal of "The Greatest Show on Earth." Also, their candidate, Margo Almgren, won the election for May Day Queen.

In the fall, the Freshmen were welcomed at the "Beanie Hop." For their winter rush party, the Theta's presented a modern version of Snow White and the Seven Dwarfs. Following this, they welcomed four new pledges.

Rome was the scene of the annual winter formal held at the Ada City Hall, and many alumnae returned to enjoy the evening with the actives.

During the year, the Theta's participated in intermural sports and provided four varsity basketball players.

Other activities during the year included the pledge dance "Sock Hop" and the annual hayride and wiener roast in the spring.

Alpha Sigma Phi

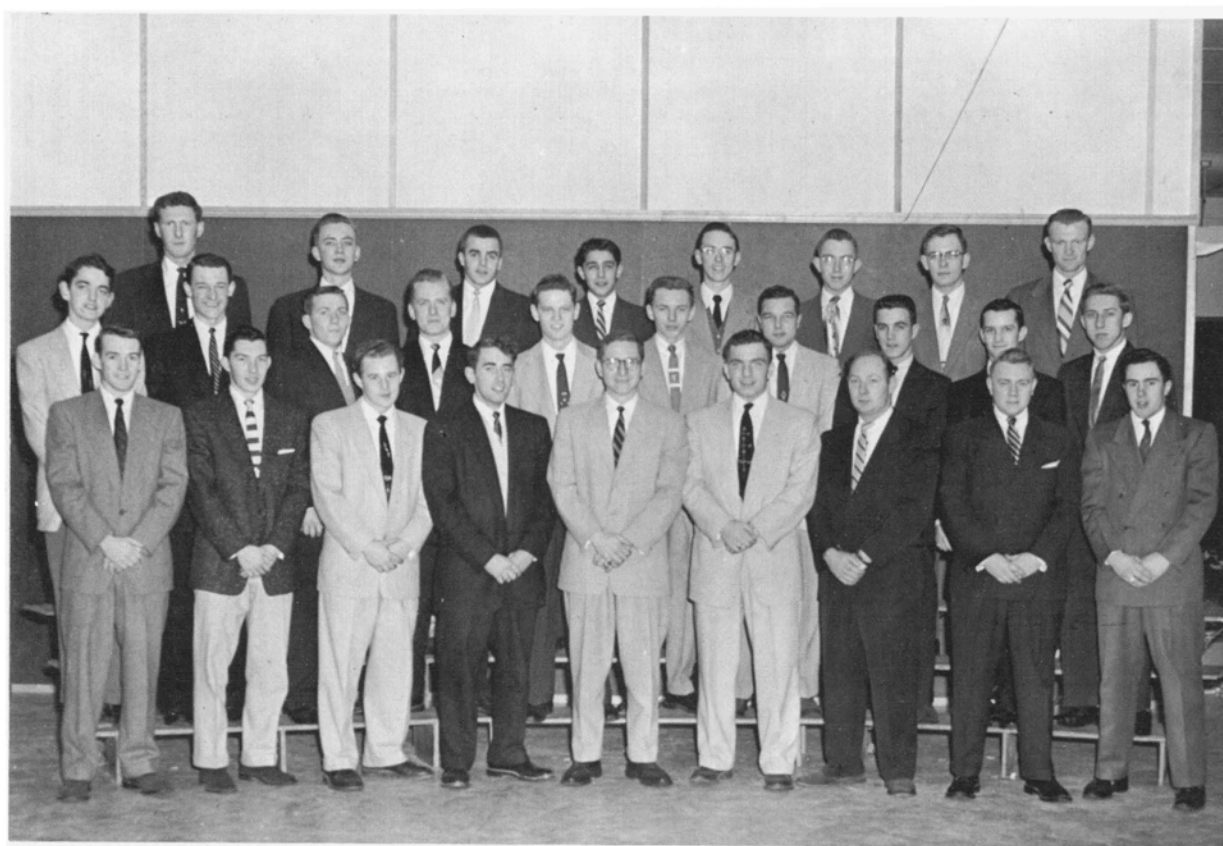

Gamma Alpha chapter of national Alpha Sigma Phi was established on the Ohio Northern campus in 1942, but its predecessors, Alpha Kappa Pi and Theta Nu Epsilon, date to 1910, being the first such secret Greekletter societies founded here. The chapter recently completed purchase of the house on Gilbert street. During the last year the "cardinal and stone" house accomplished many things, having outstanding teams fielded in the various intramural competition and having a record pledge class. Alpha Sig

social activities were highlighted by the traditional Apache dance, the Dawnbreakers' Ball and the annual spring formal. On the campus Gamma Alpha had nineteen brothers and twenty-seven pledges at the beginning of winter quarter. Faculty members include Marvin English and Barney Poole of the physical education department and Dean Emeritus' Raabe and Smull of the pharmacy and engineering colleges.

Delta Sigma Phi

Alpha Eta of Delta Sigma Phi was established on the campus of Ohio Northern University in 1920. Since that time we have endeavored at all times to support the efforts of the University to educate and train the members in their chosen field. We have also striven to furnish for our members close fellowship with other good Christian men and to establish a relationship of harmony and cooperation between them so that their cultural and professional education may be supplemented by training in the qualifications of citizenship and leadership which are not directly part of the University function. This policy of training and service for the individual as a supplement to that which he receives from the University, a direct result of our concept of the fraternity as a co-operative service organization, has enabled us to become both a scholastic and social power on campus.

Kappa Psi

Founded at Russell Military
Academy 1879
Gamma Delta Chapter, Founded 1920
47 chapters
20,000 alumni

Gamma Delta of Kappa Psi, established on Ohio Northern's campus in 1920, celebrated its thirty-fifth anniversary this year with a well-rounded calendar of activities. Kappa Psi's social life was well satisfied as fine dances were sponsored by the Seniors, Juniors, Sophomores, and pledges; the year's social calendar ended, of course, with the Spring Formal, held at Indian Lake. In an effort to keep possession of the All-Sports Trophy won last year, Kappa Psi has placed fourth in football, has tied for first place in ping pong, and ended in a three way tie for second place in basketball. Last Homecoming found another trophy in the coffers of Gamma Delta, as the Kappa Psi's copped their seventh consecutive win in the traditional Homecoming pushmobile race. Pharmacy faculty members who are members of Gamma Delta Chapter are Dean Albert Smith, Dean Emeritus Rudolph H. Raabe, and Professor Mattys Jongeward. The Chapter Roll contains the names of twenty-seven brothers and fifteen pledges.

51 chapters

13,000 members

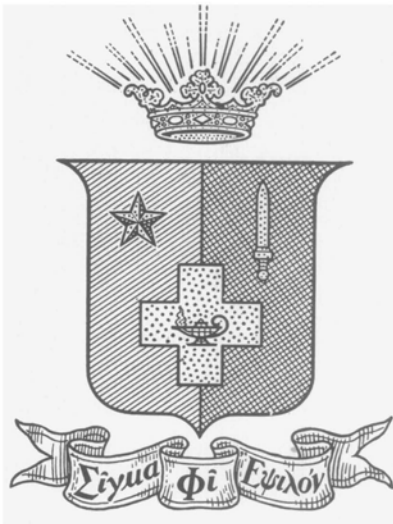

Sigma Pi had its modest beginning at a modest institution. It came into existence through the spontaneous desire of a few kindred souls to give expression to a genuine spirit of true fraternalism. That beginning was on the campus of Vincennes University at Vincennes, Indiana, on February 26, 1897. Since then Sigma Pi has grown into one of the larger national fraternities.

Zeta chapter was founded at Ohio Northern University on June 1, 1912, and has since continued an active existence here at Northern. Zeta has always participated in every form of scholastic, social, and athletic activity. This year the fraternity successfully completed its quest for the all-campus football championship. Our biggest social event of the year is our annual Orchid Ball held each Spring. This dance highlights an always successful social year for Sigma Pi on Ohio Northern's campus. In February the fraternity roster included nineteen active members and five pledges.

Sigma Phi Epsilon

Legal Siesta

Sigma Phi Epsilon Fraternity was founded at the University of Richmond on November 1, 1901. Ohio Northern's Ohio Alpha chapter was founded on February 18, 1905. The chapter house on South Gilbert Street, which was built in 1916-17 by the brothers themselves, was the first fraternity house built as such in the state.

Nationally Sigma Phi Epsilon is the third largest social fraternity in number of chapters with 133 chapters and over 45,000 alumni and active members. On the campus Sig Ep is the largest nationally and the oldest continually active chapter.

The Ohio Northern chapter has initiated over 750 members since its inception. Faculty members include Dr. Wilfred Binklep, Dr. Matthias Schmitz, Professor Robert Bowden, Professor Robert Bradley, and Mr. William Hughes.

The returning Alumnae

Man of Distinction

Phi

Fun and Games

Delta

Mu

The school year 1954-55 was a very successful one for Phi Mu Delta Fraternity at Ohio Northern University. We were especially pleased with the increased membership as compared with the years just gone by.

In the fall of 1954 we received the Scholarship Plaque of the National Phi Mu Delta Fraternity as a recognition for the long-lasting excellent scholastic standing on the campus as well as among the other chapters of Phi Mu Delta.

Our social life was brightened by several house dances throughout the year. The annual "Monte Carlo" dance, the "Gay-Nineties" party, the "Valentine's Dance," and the "Halloween Dance" were the outstanding themes of the house dances. In February the brotherhood attended the "Tri-Chapter Formal" in Columbus held by the three chapters of Phi Mu Delta in Ohio. The social season was closed by the Spring Formal on May 14.

Also in athletics we had our share of success and enjoyment, even though we were not first in the league.

Founded at Lehigh University 1919
Zeta Chapter Founded, 1925
22 chapters
6,000 members

Theta Kappa Phi entered into its thirty-first year on the Ohio Northern University campus with an active Brotherhood and pledge class. Homecoming brought together many of the Zeta alumni at the annual banquet given by the active chapter, while the school year was filled with a complete social schedule including the pledge dance, the annual Turtle Hop, numerous house dances, and the Spring Formal. Spring also was the occasion for the annual Tri-Chapter meet with the other province chapters, held last spring at Kent State. Zeta became the possessor of the fraternity basketball cup last quarter and was close to the top in football and volleyball. Many Zeta men were members of the campus organizations, some holding offices. Professor Vincent Immel of the College of Law serves as Chapter Advisor to Zeta, while the Reverend Michael Nugent is our Religious Advisor. Zeta had an active membership of seventeen brothers and sixteen pledges.

ONU O—CAPITOL 34

The Polar Bears opened the season by playing the last game of a double header against Capitol at the Lima Stadium. The game was far from being one sided as the Bears fought hard throughout the game. The crowd saw some fine broken field running by the Capitol backs.

ONU 0—ASHLAND 13

A strong Ashland crew was held scoreless for three quarters by a hard charging Northern line. The fourth quarter found Ashland capitalizing on Bear fumbles to hit pay-dirt twice.

ONU 25—NORTHERN MICHIGAN 7

A determined Bear team trailing 7-0, came fighting back in the last quarter to overpower undefeated Northern Michigan 25-7. Michael, Williams and W. Molitor played outstandingly.

ONU 0—BLUFFTON 32

A soaked homecoming crowd watched the muddy battle as the Bluffton Beavers slipped past the Bears. The crowd was stunned when the Beaver quarterback let loose with a 60 yard pass to find out-stretched arms its destiny, the play netted 96 yards in all.

ONU O—DEFIANCE 26

The Yellow Jackets scored on two timely passes and two nice runs to top the Polar Bears.

ONU O—MARIETTA 13

The remains of the Ohio River overflow slowed the game up quite a bit as the two teams slid around the field. This turned out to be the Bears' longest game as the teams played three extra plays after the gun had sounded.

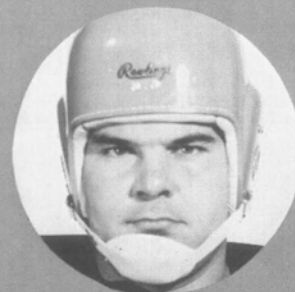

ONU 13—FINDLAY 26

The Oilers eased some of the bruises it received in the two previous seasons by scoring in every quarter and downing the Bears. Northern's scores came on a lateral interception by Martindale for 72 yards and a beautiful pass from La Scola to Love. Summers, Gourley, Bowsher, and Williams played fine ball on the line.

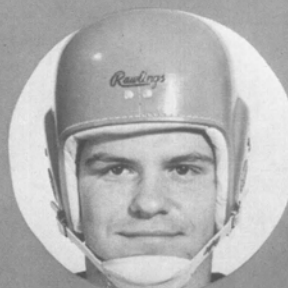

ONU 13—ST. JOSEPHS 33

This week found the Seniors taking their last lap, which has grown to be a very worthwhile ceremony. The Saints were too much for the Bears as their blocking and running was the best the Bears played against all season. C. Molitor, Marshall, and Schults played an outstanding game on the line as Kurtz turned in a nice bit of work in the backfield.

ONU 80—OTTERBEIN 66

The Polar Bears started the season by defeating the Otterbein Otters 80-66 on the Westerville court. Tracy Love led the Englishmen with 16 points, followed closely by second hitting Larry Michael who got 15.

ONU 88—WILMINGTON 80

In their first league game and home game of the season, the Englishmen came through in the last half to make up for a 46-35 halftime deficit against the Wilmington Quakers. Heading the scoring column for the Polar Bears was Tracy Love with 26 and Glenn Smith with 23.

ONU 77—CEDARVILLE 58

The Cedarville Baptists became the third victims of Northern's offensive attack as the Polar Bears stayed on the straight and narrow winning trail with a 77-58 victory. The win was sparked by Tracy Love's 14 points and the 12 which both Joe Herman and Donn Wilshaw totaled in the Taft gym contest.

ONU 88—HEIDELBERG 85

The Heidelberg five made it a tough contest as Northern pulled ahead in an overtime to win the game and a four win-no loss record. The Polar Bear scoring column was topped by Glenn Smith's 20 points and Dave Schmelzer's 19.

ONU 117—GIFFIN 37

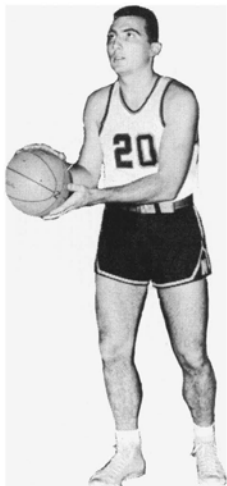

In their fourth home game, the Polar Bears set a new ONU floor record by swamping an outclassed Giffin college five by an 80 point margin. It was a team victory, as shown by the fact that the two leading scorers, Glenn Smith and Gaines Bradford, copped only 21 each of the 117 total points.

ONU 86—DEFIANCE 84

Another overtime ballgame marked Northern's sixth consecutive victory of the season. The Polar Bears led by 10 in the first ten minutes, but trailed until the final second. Foul shots made the difference, as Northern sunk 36 against the Yellow Jackets' 18. Glenn Smith took high point honors with 20, followed closely by Dave Schmelzer with 19. After this game, Northern boasted the only unbeaten college team in the state.

ONU 74—ASHLAND 72

With a cold first half exhibition the Polar Bears trailed at half-time by a 39-28 score and the Englishmen remained behind until the final three minutes of play when they edged out the Eagles by a scant, but thrilling two point victory for their seventh consecutive victory. Tracy Love again snared high point honors with 24 mark-

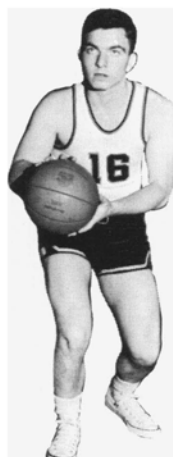

Dave Schmelzer

Wayne Dennis

Chuck Violet

Keith Kiggins

Joe Herman

ers while Dave Schmelzer took second with 17.

Findlay win left them at the top of the Mid-Ohio League standings and also knocked Northern into second position. Glenn Smith's 19 and Dave Schmelzer's 15 were Northern's highest point bids of the evening.

ONU 75—OTTERBEIN 90

The Polar Bears were victims of the motive of revenge as Otterbein returned to Taft gym to hand the Northern five a substantial 90-75 defeat. Northern's high point men were Wayne Dennis and Glenn Smith with 18 and 15 respectively.

ONU 66—KENYON 75

The faltering Polar Bears suffered their third consecutive defeat at the hands of a new rival, Kenyon, by a 75-66 margin. Entering the highest Northern bids were Glenn Smith with 18 and Wayne Dennis with 12.

ONU 94—BLUFFTON 77

Northern finished the season by defeating a revenge seeking Bluffton ball club. Leading the Polar Bear scoring column were Tracy Love with 23 and Glenn Smith with 15.

ONU 69—BETHANY 71

The Polar Bears had to travel to West Virginia to meet their first defeat as they went down in a 71-69 heartbreaker to end their winning streak. The top scorer in the Northern attempt was Tracy Love who snared 21, followed by Glenn Smith with 15.

ONU 121—CEDARVILLE 73

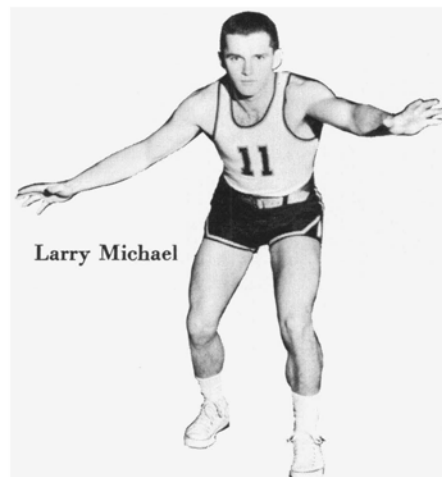

The Polar Bears set an all-time Northern team scoring record by defeating the Cedarville Baptists by a more than sufficient 121-73 victory. The win made Northern's fifth consecutive Mid-Ohio League victory out of as many attempts. Love and Schmelzer shared scoring honors as each bagged 24 points.

ONU 69—BLUFFTON 57

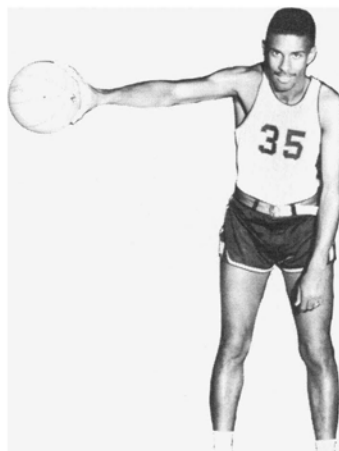

Bluffton cut down an eleven point halftime Northern lead to come within three points of the Bears in the opening minutes of the second half, but it just wasn't enough as the Polar Bears opened an offensive barrage that was enough to win 69-57. This victory was Northern's sixth straight league victory, which made them co-league leaders with Findlay. Tracy Love and Glenn Smith led the attack against the Beavers, scoring 21 and 20 respectively.

ONU 66—FINDLAY 82

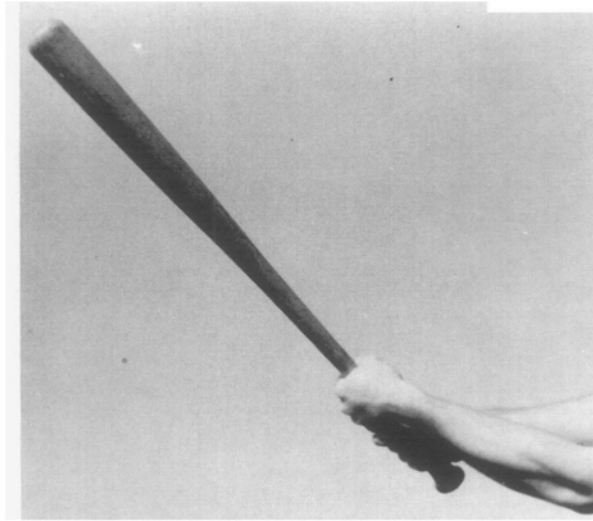

The Findlay Oilers knocked Northern from the top of the state wide rankings in games won with a stunning 82-66 setback. The

First Row: Harry Benetis, Fred Arnott, Jim Miller, Clayton Pepple, Dick Baier. **Second Row:** Joe Stokes, Tony Tucci, Johnny Anspach, Bob Riggs, Joe Herman, Marv English. **Third Row:** Bill Lang, Bob Tucker, George Greenway, Glenn Smith, Jim Taylor, John Marshall, Ron Hull.

ONU 2—BLUFFTON 11

Ohio Northern lost their season's opener at Bluffton College by a nine point margin. It was a low hitting game with Bluffton connecting for 5 hits to Northern's 4 hits. The Beavers' timely hits linked with several errors turned the trick. Ron Hull was losing pitcher being relieved by Glenn Smith in the fifth and Anspach coming on in the eighth.

ONU 17—CEDARVILLE 3

Ohio Northern capitalized on 11 hits and 10 Cedarville errors to come home with their first win. John Anspach went the distance giving up only two hits, striking out nine and walking two.

ONU 10—DEFIANCE 9

The Bears gained a win over Defiance with Briggs driving in the winning run in the last of the ninth, giving John Anspach credit for his second victory who relieved Glenn Smith in the ninth inning.

ONU 7—DEFIANCE 4

With John Anspach pitching another fine game Northern came through with their second close victory over Defiance.

ONU 1—WILMINGTON. 8

Northern after winning 3 fine games in a row finally met their match, as both their pitching and hitting staff failed to come through when they were needed most.

ONU 2—FINDLAY 8

Ohio Northern outlived Findlay 11 to 6, but Findlay capitalized for 8 runs by bunching their hits together in two

innings. John Anspach was credited with the loss, his first setback against 3 victories.

ONU 8—WILMINGTON 7

Northern turned back Wilmington 8-7 in ten innings with Joe Herman leading the Northern Batsmen with three hits in 5 at bats. Northern gained their 8 runs off 15 hits while Wilmington got their 7 runs with 10 hits. Glenn Smith was credited with the win after relieving Anspach in the eighth.

ONU 1—FINDLAY 3

Northern's errors were very costly in a close game with Findlay as Glenn Smith went the distance and absorbed the loss.

ONU 7—BLUFFTON 7

Northern nearly avenged the early season loss to Bluffton but at thirteen innings the game was called because of darkness. Northern outlived the Beavers 13-12, as cleanup man Joe Herman boosted his batting average to .380. Anspach started with Glenn Smith relieving in the eighth frame.

ONU 4-5—ASHLAND 7-15

Ohio Northern fell victim to a hot Ashland nine by dropping both ends of a season final doubleheader. Ashland with 11 hits and 10 Northern errors had little trouble in knocking Anspach from the mound.

Glenn Smith, Northern's second starter, fell victim to another Ashland onrush as again Northern seemed to have trouble finding the handle.

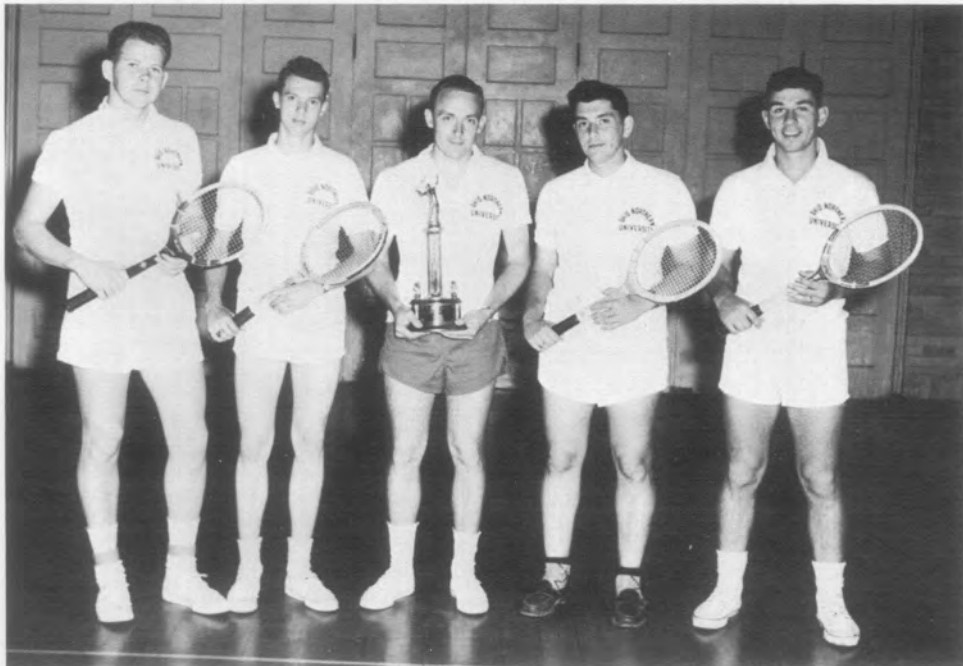

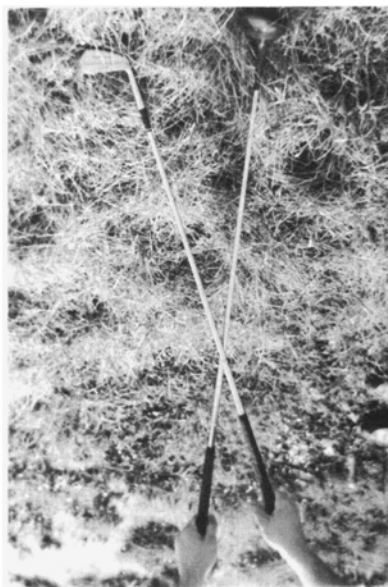

Tennis

The past season was a total success for the net squad. They breezed through the seven regularly scheduled meets and had another in the bag when Mother Nature called on the rain, forcing postponement. After this prosperous season the racqueteers swept the opposition aside and garnered the MOL crown, its fourth in succession.

Playing coach Larry Fout will have Lenny Pomerantz and Bill Oliver back to help the team continue its winning ways.

Bill Oliver, Ernie Coffee, Larry Fout, Leonard Pomerantz, Jim Dixon.

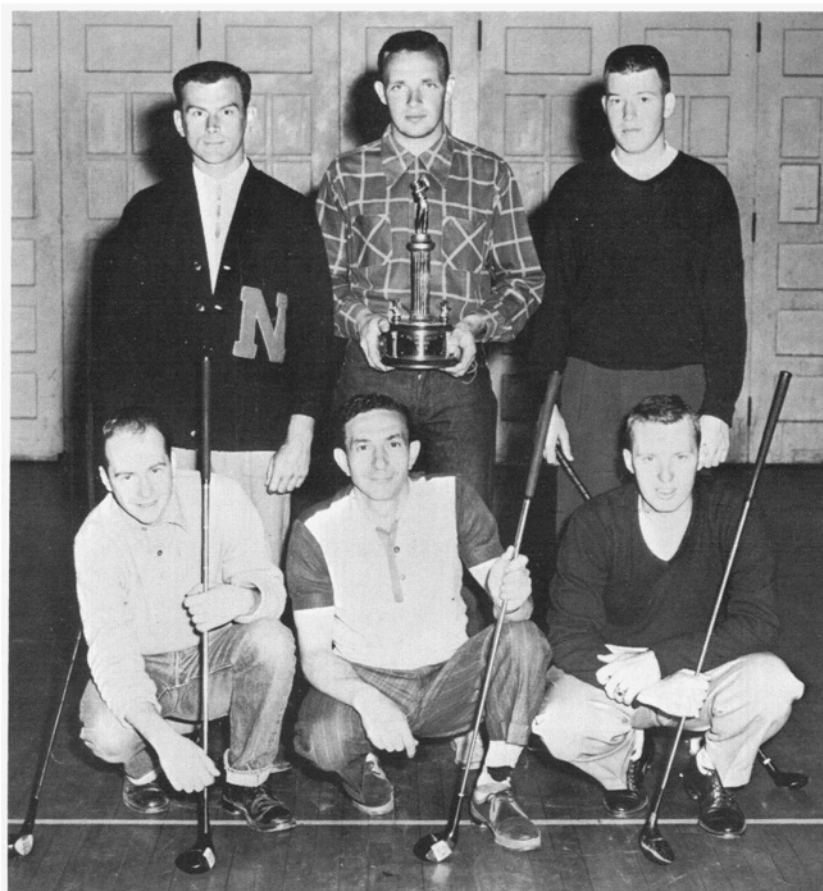

Golf

Coach Clyde Lamb's tyro Hogans and Sneads came through with all the marbles again this year. After a season of mediocre success, 3 wins and 4 losses, the determined group traveled to Ashland and plucked the most choice fruit of all, the MOL crown, from an extremely die-hard crowd of conference aspirers. This win gave the school its fifth golf crown, one for each anniversary of the MOL conference.

Coach Lamb will have almost all of the team back again to defend its title. Returning lettermen are Don Shively, Dan Arnett, Norman Halpern, and Bob Boohall.

First Row: Fleet Brenneman, Norm Alper, Bob Bouhall. Second Row: Don Shively, Paul Van Nostrum, Dan Arnett.

First Row: H. Benitis, B. Cavendish. Second Row: T. Fitzgibbons, C. Calli, V. Riano, B. McKelvey. Third Row: B. Hawk, V. Scarr, B. Lang, P. Neff, D. Chase

Intramural Football

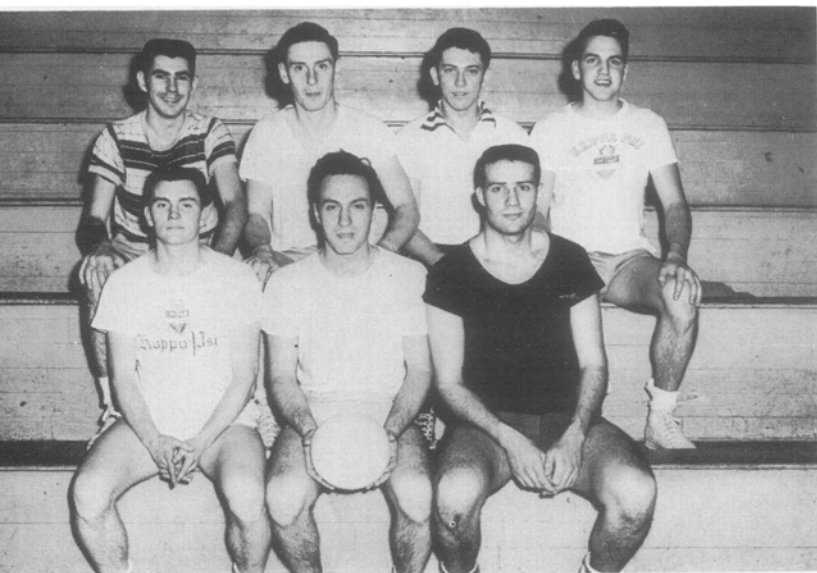

The 1954 Intramural Football Tournament was one of the tightest for quite a time, as both the Independent and Fraternity Champions finished the season with unblemished records. The Fraternity Champion, Sigma Pi, clinched the title by defeating the closely trailing Theta Kap's by a 6-0 margin. In the next fray, the Champions finished the schedule by dropping the Sig Ep's 20-6. The Sig Ep's were the only team to cross the Sig Pi goal line all season. In the Independent league, the Newman Club copped their second straight independent championship by defeating the Wesley Fellowship, 14-2. These two points were the only ones scored against the Newman Club all year. In a close, hard-fought all-campus championship game, the Sig Pi's defeated the Newman Club, 7-0, to gain the title of All-Campus Football Champs.

Intramural Basketball

The All-Campus Basketball trophy is now in the possession of the Dukes, after they swept the 1955 season with a perfect 7-0 record in the win-loss column. They finished off their perfect season with an easy 68-48 victory over the Fraternity League champions, Theta Kappa Phi. Finishing in a two way tie for second place were the Green Beetles and Black Knights each finishing with a 5-2 record. Following third were the Barristers with a 4-3 bid for the championship. The Theta Kap's also enjoyed a nearly perfect season, for they too had a 7-0 record up until the all-campus game. Three teams ended in a triple tie for second—Kappa Psi, Alpha Sigma Phi and Sigma Phi Epsilon, all with 5-2 records. Following third with three wins and four losses were the Phi Mu's.

Clarence Molitor and Wilbur Molitor look over the trophy won by the Dukes.

First Row: J. Meyers, F. Coschingano, P. Patsiavos. Second Row: T. Zikovsky, R. Glasgow, W. Stinard, S. Michaelis

Intramural Volleyball

The 1955 intramural volleyball tourney ended in a close race as the fraternity league finished in a playoff for the coveted crown. The Sig Ep's defeated the Alpha Sig's, and the undefeated Kappa Psi's knocked off the Phi Mu's in a 2-0 victory, and so it ended with a two-way tie for first place. In the independent circuit, the Dukes defeated the Pressers 2-0 for the Independent title. In the fraternity side, Kappa Psi met Sigma Phi Epsilon in the playoff fray and found themselves Fraternity Champions. The same night, with the spark of victory still in their hearts, the Kappa Psi's went on to defeat the Dukes 2-0 to gain possession of the All-Campus Volleyball Championship.

Junior attendant Bobbie Bowers; Queen Margo; Sophomore attendant Jan Geist, Freshman attendant Carolyn Hall.

May Day

Queen Margo Almgren, Theta Phi Delta sorority, and King Guy DeSanctis, Theta Kappa Phi Fraternity, reigned over the traditional O.N.U. May Day festivities last year.

The day began with breakfast at the College Inn for the King, Queen, and her court. The rest of the morning was busily spent by both Greeks and Independents in an effort to get their floats completed for the parade that afternoon. The parade began after an hour's postponement due to rain. The weather dampened few hearts for one of the largest crowds ever to witness one of O.N.U.'s May Day parades gathered to see the colorful display and to see the King and Queen cut the ribbon across Main Street to officially open the May Day festivities. The Float contest was won by Theta Phi Delta and Sigma Phi Epsilon.

The semi-formal dance held in Taft Gym to the wonderful music of Jerry Gray brought May Day to a perfect close.

King Guy waves to the May Day crowd while his queen and her attendants look on.

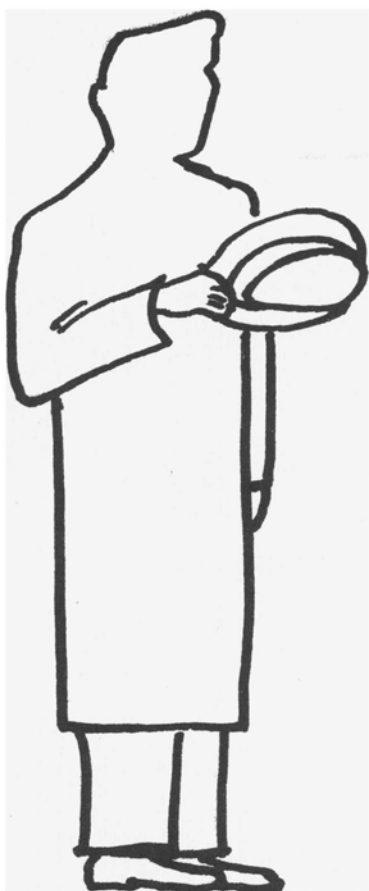

ATTENDANTS: *Standing:* Pauline Del Bene; Theta Phi Delta; Mickey McFerron, Tau Kappa Kappa; Peggy Grim, Independent. *Seated:* Queen: Gay Hughes, Phi Chi.

We will all remember the weather which heralded the 1954 Homecoming weekend which although it thoroughly soaked chilled everything, could not dampen the spirits of the returning alumni, the faculty, the students or the guests. The weekend began on Friday afternoon with the annual freshman-sophomore flagpole rush. The frosh defeated the upperclassmen to the surprise of all. This was the second time in the history of Ohio Northern that the flagpole rush was won by the freshmen. A pep rally and bonfire were held Friday evening and the next morning fraternity members arose early to put the finishing touches on their house decorations in time for the judges' arrival. Sigma Phi Epsilon fraternity won the trophy for decorations this year. The Greek pushmobile races followed, with fraternity and sorority speedsters competing. The brothers of Kappa Psi carried off the trophy for the fraternity race, while Phi Chi sorority took the other pushmobile trophy.

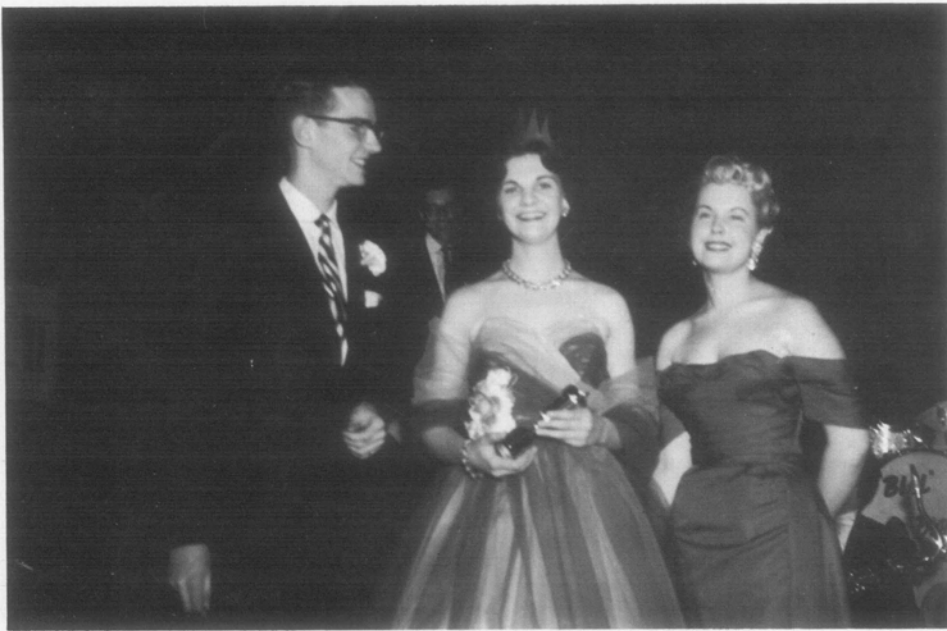

Saturday afternoon the Polar Bears suffered a 32 to 0 defeat at the hands of the Bluffton Beavers on Northern's gridiron. Though the plucky griders lost the fray to the invading Blufftonites the fact did not dampen the spirits of those attending the annual Homecoming dance Saturday evening. The traditional dance was held in Taft gymnasium with the Jimmy Stier orchestra supplying the music.

Homecoming Damp, but Memorable

QUEEN GAY HUGHES
Phi Chi

I. F. C. Ball

Lee King receiving the queen's trophy from I. F. C. president, Bill Moore.

As in the past, this year's Interfraternity Ball was one of the highlights of the campus social calendar. Utilizing the facilities of Taft Gymnasium, Ohio Northern fraternity men and their ladies danced and socialized to the music of Buddy Morrow.

This year each fraternity picked their candidate for I. F. C. Ball queen. The Queen was chosen by the band leader, Buddy Morrow, from the fraternities' candidates. Miss Lee King, Alpha Epsilon Pi's candidate, reigned over the Ball.

Greeks dancing to the strains of Buddy Morrow's Band.

Dave Brubeck signing autographs for ardent Northern fans.

Brubeck Comes To Northern

The winter quarter saw the music department in co-sponsorship with the student council to support the presentation of a jazz concert by the Dave Brubeck Quartet. This group, representative of the new "cool jazz" approach, specialized in improvisational presentation of new and familiar works. The Brubeck group was brought to the campus in an effort to promote student interest and attendance in artist series in general.

In the fall, for the artist series, the University presented *In Operetta Time*, featuring Elizabeth Humphrey and Bernard Izzo. This soprano-baritone team presented works from Mozart through Rodgers and Hammerstein and pleased a rather sizable audience with their performance.

Brubeck Quartet acknowledging Northern applause.

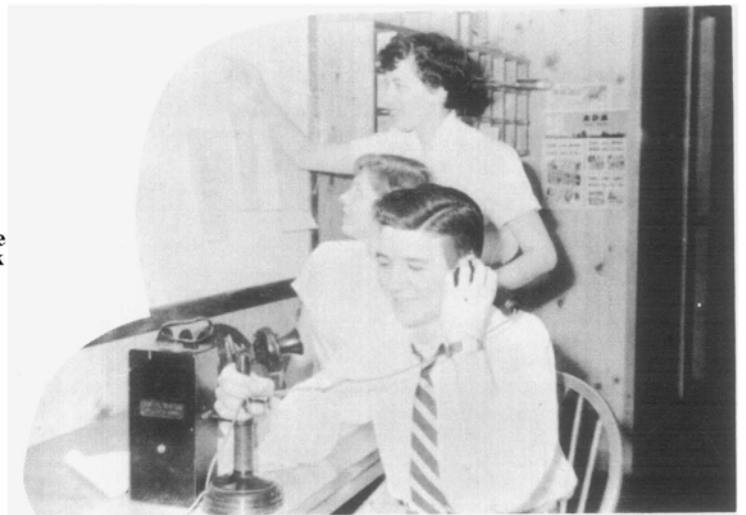

Gene Potesta explains an idea to B. J. Weintz, while Emily Brown looks on.

Northern Pinpoints

The Northern Annual Staff worked quietly through the three quarters of the school year attempting to capture the fleeting moments of college life and put them into book form. The Staff waded past all sorts of obstacles on its way to producing a book that would tell, in words and pictures, the story of Ohio Northern, its people, and works, in **1954-55**. Like the usual Northern yearbook staff, this year's group started with almost no experience, but were soon indoctrinated into the mysteries of yearbook making. Out of their combined efforts eventually came the **1955** Northern.

Ralph Starling checks dates via the telephone while Jan Thompson and Jan Norquest look over the bulletin board.

Dramatics

Arena staging at Northern

The 1954-55 season was our "Numbers Year." We started the season with the modern comedy, *Two Blind Mice*, done arena style in the Taft gymnasium. For our winter play we returned to Lehr Auditorium for a production of the murder-mystery, *Ten Little Indians*. Our spring production, Shakespeare's comic *Twelfth Night*, was also presented in Lehr Auditorium. The stage was extended into the audience for the production and many new costumes were made again this year under the guidance of Mrs. Charles Pickering. One act plays were given in the "Little Theater" in Brown Building and for student body assemblies in Lehr Auditorium. An even broader program is being planned for next year, featuring a play by George Bernard Shaw and a Shakespearean tragedy.

Crystal, as played by Margy Campbell, puts Senator Kruger, Martin Fabian, in his place as the rest of the cast looks on.

Two Blind Mice

"Two Blind Mice" by Samuel Spewack was the first major production for the Northern Players during the 1954-55 season. The play, produced arena style, was given four nights in Taft Gymnasium. This comedy in three acts revolves around two elderly ladies, played by Margy Campbell and Jan Reinehr, who are involved in running an abolished office in Washington, D. C.

This new style of production, with the audience on all four sides of the acting area, was well received.

Margy Campbell and Jan Reinehr as they appeared in their "prison dresses."

The prudish old maid, as played by Nancy Shively, shows the other guests a broken Indian statue she found just after the young drunk, Hugh McAnaney, falls dead from a poisoned drink.

Ten Little Indians

For their winter production, the Northern Players presented the exciting murder mystery, "Ten Little Indians," on the Lehr Auditorium stage. The play is set in a weird country house on lonely Indian Island off the coast of Devon, England. A cluster of Indian statues on the mantelpiece are broken one by one, and a guest dies each time. The excitement mounts as the guests realize that the murderer is one of them. All ends happily, however, as the murderer is discovered and outwitted, but not until the very last page of the play.

The elaborate set was designed and constructed by students in the play production and theatre workshop classes.

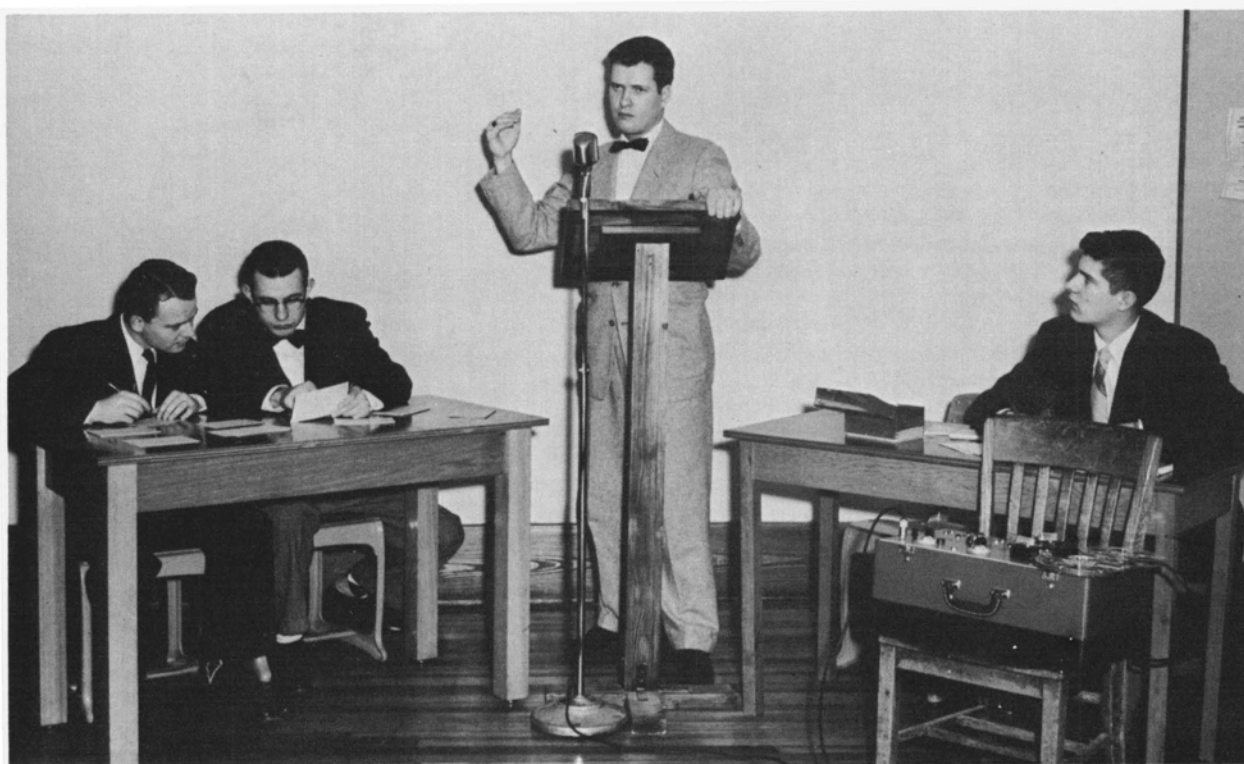

"Two little Indians left all alone,
They got married and then there were
none."
Dave Huntsman and Sue Dye

Debate

The debate squad listens critically while their coach, Professor Allman, plays one of their recorded debates.

The Ohio Northern University debaters have this year re-entered the inter-collegiate debating field. The four members of the varsity debating squad attended debate tournaments at Ohio Wesleyan University, Kent State University, and at Capital University during the Winter quarter. Practice debates were held on campus with other schools such as Bowling Green State University and Harvard University.

The debaters record a practice debate for future reference. (Left to right) the Negative team: Jim Robinson and Don Newland; the Affirmative team: Dave Wilson and Phil Gray.

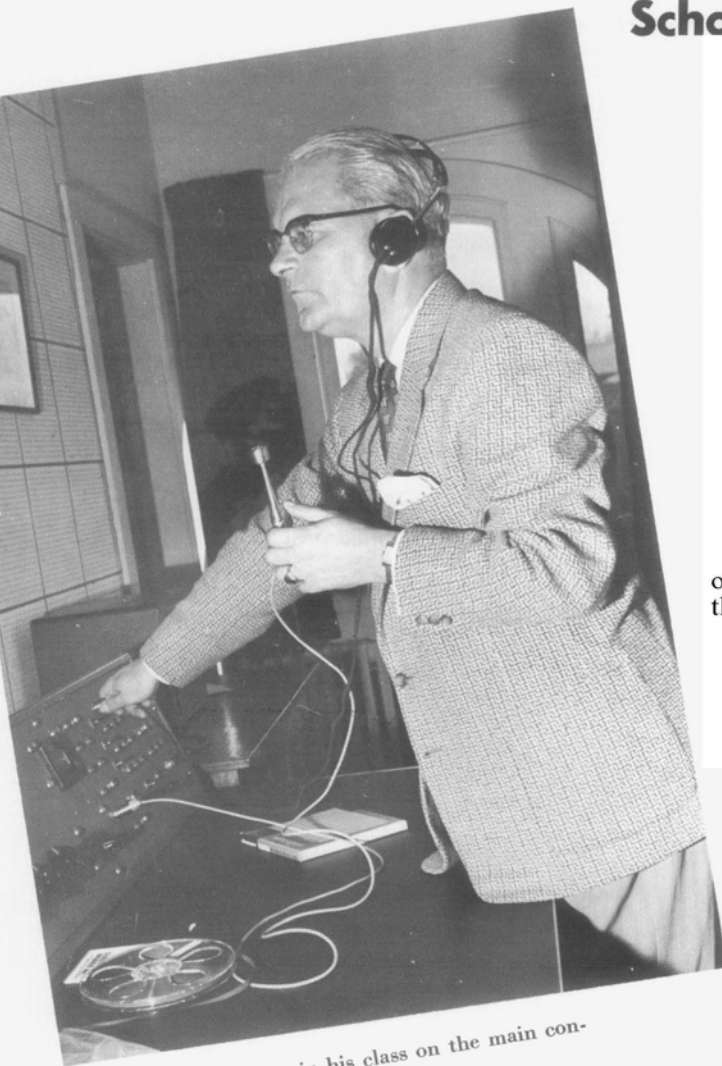

Class work in the Schoonover Lab.

Schoonover Laboratory Established

The generosity of Mr. Thomas R. Schoonover of Lima, Ohio, and the farsighted cooperation of the Administration of Ohio Northern University have made the realization of a dream of Dr. Mathias Schmitz an established fact. It is the establishment of an outstanding laboratory to advance the study, understanding, speaking, and enjoyment of language in its spoken form.

The objectives of the Schoonover Laboratory are to serve the Department of Foreign Languages, the department of English, including speech and drama; various other departments in the Colleges of the University in making portable recorders and audi-visual aids available for their purposes, providing opportunities for coordinated action; and other schools, organizations, clubs, and individuals in rendering access to the Laboratory and its facilities.

Ohio Northern University has been placed in the forefront of a growing trend among universities across the nation in the establishment of language laboratories.

Dr. Schmitz tunes in his class on the main controls in the Lab.

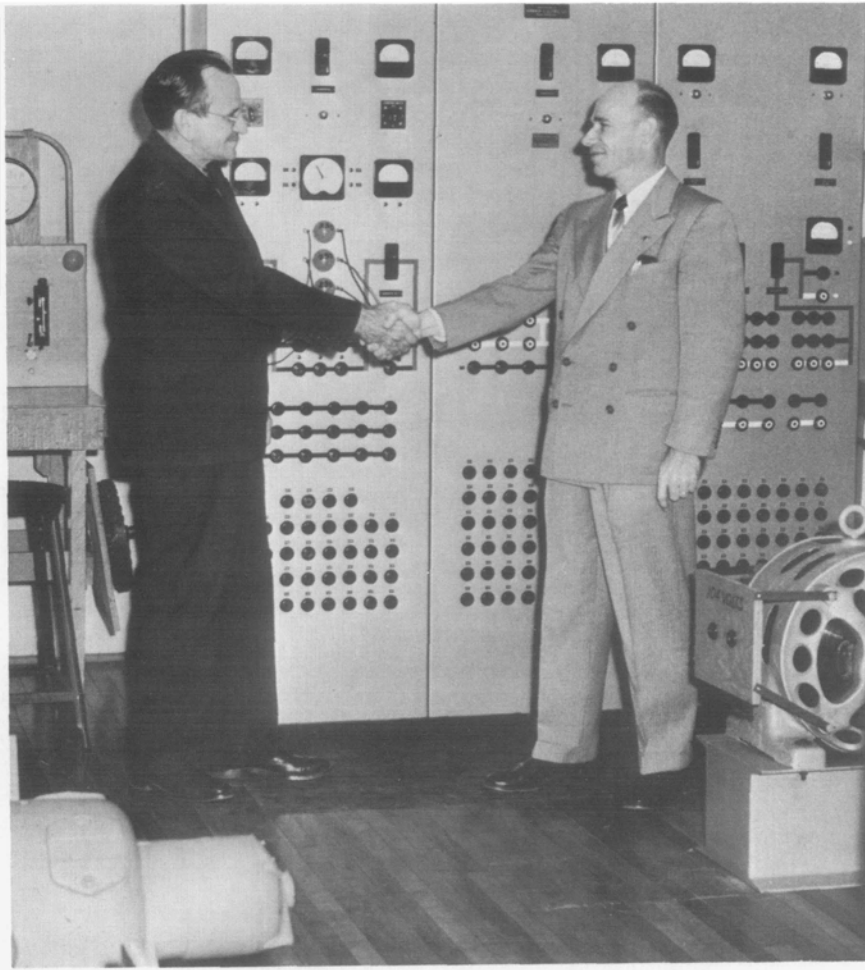

Snack Bar Opens

President F. Bringle McIntosh tries his hand at cooking at the opening of the Snack Bar in the student center.

Many students, faculty members and townspeople were guests at the opening of the student center snack bar at Ohio Northern. Expressions of approval were heard on all sides. The attractive campus gathering place seems to meet a long felt need of both students and faculty.

A board of governors has been set up for the student center, composed of four students elected by the Student council: Lee Lewis, Barbara Cramer, Raymond Jennings and Tony Tucci; and three administrative members of the university staff—Kenneth Martin, Mrs. Francis Burdette and Fred Clark. Mrs. M. L. Wade, manager of the snack bar, is assisted by Mrs. Guy Carmean and University student helpers.

President McIntosh and Dean Archer congratulating each other upon receiving the announcement of the College of Engineering accreditation

Accreditation for Engineering College

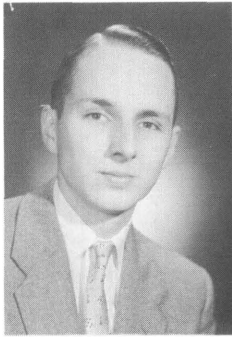

The College of Engineering has reached its highest goal, that of accreditation by the Engineers' Council for Professional Development. This is the official accrediting agency for engineering colleges in this country.

The entire campus of Ohio Northern was overjoyed with the approval which has been obtained. It has always been the feeling of the University that the college of engineering has done a good job of educating its students. Never before had inspection by the E. C. P. D. been requested for this very reason. Now, however, the stamp of approval of the official engineering agency has been placed upon the work.

A PRIZE-WINNING YEARBOOK AT THE THINKING STAGE

Long-standing customers, both yearbook staffs and advisors, are enthusiastic over the Keller yearbook program because experience has proved that application of its various services has made the job pleasant, easy, and gratifying.

Our intimate method of yearbook counsel and assistance, based upon continual service, is governed by a sincere desire to maintain the reputation that every Keller book is distinctive and custom-built. Many, as a result, win top critical awards.

Wm. J. Keller Inc.
